Dear Customer,

**Re: INTERRUPTION TO SERVICE (COVID-19)**

As Bubbles & Suds is not classed as a 'Essential Service', we have followed the rules put in place by the government and have self-isolated all ourselves and our families effective of today.

Once we are back up and running we will restart our scheduled cleans where we left off.

However, we would ask that you please be patient as playing catch up isn't going to be easy. With over 450 scheduled cleans over the next twelve weeks all backlogging every day that passes, will simply mean that we need to restart our scheduled cleans where we left off. Which will cause delays.

However, if you feel the need to have an urgent clean as it will have been a long time since the last clean and long time until your next scheduled clean due to the delay, please call us and we will make every effort to find a slot sooner for you.

In the meantime, please take care of yourselves and your loved ones.

Assuring you of our best attention at all times.

Kindest regards as always.

Tony & Phil.
